

# 'Dynamind' using Artificial Intelligence

---

- For **100% Interactive Distance Education**
- With **one-to-one mentoring**
- For **student-centric learning**

## **e-Teacher & e-Trainer from i2K Solutions**

---

### Technical Specifications 'Generic' description

1. E-Teacher and e-Trainer using **artificial intelligence** or **AI**
2. **100% interactive** distance education platform
3. Uses the **internet for connectivity**, for lowest cost.
4. **256K band width** is sufficient for most e-Content
5. Can use any type of **multimedia e-Content** for e-Teaching and e-Training
6. **One-to-one mentoring** using artificial intelligence, for highest quality
7. **Individualized e-Teaching** by preparing a unique LMS for each e-Learner, as no two people are the same, for highest quality of effective teaching
8. **Supports e-Content** in 11 Indian languages and 54 International languages
9. **Scalable to any number of learners**. For example, if there are 1 million e-Learners, 1 million e-Teachers will be provided by the platform
10. Uses the **internet as a resource library**
11. Has **Collective Intelligence** features
12. Can be used for any type of e-Content, for **schools, colleges, vocational education, corporate training and adult & life-long learning**
13. Ideal solution for '**Capacity Building**' at the lowest cost and highest quality
14. Platform has inbuilt daily **assessment, feedback**, strength & weakness and remedial features.
15. Platform has inbuilt complete **administration features** which a normal modern day school or college or university would have
16. Details of all the above features and Demos at [www.i2k.in](http://www.i2k.in)
17. '**Dynamind**' developed after R&D for 12 years and Testing for 5 years, commercial operations from 2011. Initial thought process started in 1992.
18. **E-Teacher platform is being used for distance education and coaching for physics, chemistry and mathematics for classes 9<sup>th</sup> to 12<sup>th</sup>**. See [www.aasanka.com](http://www.aasanka.com) for details.
19. **Also being utilized for on-line coaching for IITJEE, AIEEE & CET entrance examinations**. See [www.aasanka.com](http://www.aasanka.com) for details.
